

BEFORE YOU TAKE THE ROAD TEST

1. Your vehicle, including all of the following, must be in **good working condition**.

- ☐ Working brakes and vehicle's rear right/left brake lights operate properly
- ☐ Speedometer
- ☐ Working mechanical turn signals
- ☐ Seat Belts, if model year 1972 or newer
- ☐ Tires
- ☐ Doors (front driver and passenger) operate properly
- ☐ Window (front driver and passenger) operate properly
- ☐ Windshield (where required) intact and offers unobstructed view
- ☐ Working horn
- ☐ Left outside rear view mirror

Note: Any additional conditions determined to be unsafe may also be cause for rejection of the vehicle for use on the road test.

2. You must have proof of current registration, plates (valid year tabs) and insurance.

- ☐ 30-Day General Use Permit, 90-Day Resident Registration, or Temporary Registration Permit (TRP) are sufficient evidence of current registration.

3. For safety reasons, you must understand the following directions and questions in English:

- ☐ Stop
- ☐ Slow down
- ☐ Drive straight ahead
- ☐ Change lanes left/right
- ☐ Turn left/right at next street, corner, stop sign, traffic light
- ☐ Does your speedometer work?
- ☐ Fasten Seat belt
- ☐ Turn on your left/right turn signal
- ☐ Honk the horn

If you are unable to comply with any of the above items, please tell the Customer Service Representative at the written test grading counter. Thank you.
